

Ann Martin Center Leadership Circle

Your generous gift can make a *world of difference* in helping Ann Martin Center deliver quality mental health services to vulnerable children and families in our East Bay community. Your contribution will have an immediate impact in our ability to nurture positive communications, healthier relationships, and emotional wellness for families in need. We strengthen a child's capacity to make meaningful connections, improve grades, gain coping skills, develop caring friendships, and build self-esteem and confidence.

Please consider joining our **Leadership Circle!** Starting at the \$1,000 giving level, donors will receive exclusive benefits including special invitations to events, program updates from the executive director, and access to annual gatherings with staff and board leadership. We appreciate your generous support!
